Credentialing – Guidance for getting started, overcoming hurdles, and celebrating the accomplishment

Networking Lounge – A chance to sit, maybe have a little more coffee, and talk with your colleagues about transitions, triumphs, and professional interests

Afternoon – On the Path – The past year has been one of reports and reorganization, much of it influencing Religious Education and Religious Educators. We will hear brief presentations from the RE Education Futures committee and UUA staff, followed by time to process what these trends mean within our congregations and across our movement.

Cost - \$55 for members; \$65 non-members (\$75 on-site). Register online at <http://www.lreda.org/content/2011-ga-professional-day-and-annual-meeting-luncheon-registration-form>. Pay by credit card or print out the form and send in a check. For mailed forms, registration must be postmarked by June 1 and received by June 10. Deadline for payment by credit card is June 10.

The center of our work as religious educators is belief in the transformative power of educating through our Unitarian Universalist faith.
