A FEW NOTES ON SOME CHAPTER'S ORGANIZATION:

North Atlantic: Elect a President, Programs, Scribe, Treasurer

Metro NY: Our organization is an Executive Board of President, Vice-President, Treasurer, and Scribe

MDD LREDA : President, past-president, president-elect, secretary, and treasurer.

With rotation, the person "elected" as president-elect serves three years by the time it's all over.

Seaway: President, Vice President, one from US and one from Canada-alternating, a Secretary/treasurer and a program planner.

Being bi-national, our distinction is really focused on RE professional connection, sharing ideas and resources, mutual support.

The UUA Saint Lawrence District and the CUC Eastern and Central regions have their own programming, through many of our members are active in their respective areas.

Ohio Meadville: The general agreement at this time is that the Lifespan Faith Development Committee functions to serve the congregations of the district and the LREDA Chapter will function to serve the professional development of the RE Leaders of the district.
