

LREDA 2010 Fall Con LARGE Add-On Day
Oct. 25, 12 PM - Oct. 26, 12 PM
New Orleans, LA

What Works
Solutions, Best Practices and Innovations

Ask the experts: Religious educators from large congregations and UUA consultants share their insight on topics relevant to us and our work. Four panels will talk about the following issues:

- Staffing a Large RE Program and Supporting Teachers
- Stewardship and RE
- Multigenerational Worship and Community
- Supporting Families' Spiritual Needs and Providing Adult RE

Find out how to become successful in these areas. Ask questions and engage in small group discussion about applying best practices in your congregation.
